PRE-OP INSTRUCTIONS:

If you are scheduled for surgery, please remember the following:

- Do not eat or drink anything for six (6) hours prior to the appointment except for a small sip of water to take needed medications (i.e., pills for high blood pressure, diabetes, etc.). Patients are to take all regular medications, unless instructed otherwise.
- Patients under the age of 18 must be accompanied by a parent or a guardian.
- A responsible adult must accompany the patient to the office, remain in the office during the procedure, and drive the patient home.
- Please wear loose fitting clothing with short sleeve shirt, and low heeled shoes.
- Contact lenses, jewelry, and dentures must be removed at the time of surgery.
- Do not wear lipstick, excessive makeup, or nail polish on the day of surgery.
